§ 515.1 Purpose and scope.

(a) The purpose of this part is to inform the public of records maintained by the Commission about identifiable individuals and to inform those individuals how they may gain access to and amend records concerning themselves.

(b) This part carries out the requirements of the Privacy Act of 1974 (Pub. L. 93–579) codified at 5 U.S.C. 552a.

(c) The regulation applies only to records disclosed or requested under the Privacy Act of 1974, and not to requests for information made pursuant to 5 U.S.C. 552, the Freedom of Information Act.

§ 515.2 Definitions.

(b) *Maintain* means maintain, collect, use, or disseminate.

(c) *Record* means any item, collection, or grouping of information about an individual that is maintained by the Commission, including education, financial transactions, medical history, and criminal or employment history, and that contains the individual's name, or the identifying number, symbol, or other identifier assigned to the individual, such as social security number, finger or voice print, or a photograph.

§ 515.5

(e) *Routine use* means, with respect to the disclosure of a record, the use of such record for a purpose that is compatible with the purpose for which it was collected.

§ 515.3 Identification of individuals making requests.

(a) Any individual may request that the Commission inform him or her whether a particular record system named by the individual contains a record pertaining to him or her and the contents of such record. Such requests shall conform to the requirements of § 515.4 of this part. The request may be made in person or in writing at the NIGC, suite 250, 1850 M Street, NW., Washington, DC 20036-5803 during the hours of 9 a.m. to 12 noon and 2 p.m. to 5 p.m. Monday through Friday.

(b)(1) Requests made in writing shall include a statement, signed by the individual and either notarized or witnessed by two persons (including witnesses' addresses). If the individual appears before a notary, the individual shall submit adequate proof of identity in the form of a driver's license, birth certificate, passport, or other identification acceptable to the notary. If the statement is witnessed, it shall include a statement above the witnesses' signatures that they personally know the individual or that the individual has submitted proof of his or her identity to their satisfaction. In any case in which, because of the extreme sensitivity of the record sought to be seen or copied, the Commission determines that the identification is not adequate, it may request the individual to submit additional proof of identity.

(2) If the request is made in person, the requester shall submit proof of identity similar to that described in paragraph (b)(1) of this section, and that is acceptable to the Commission. The individual may have a person of his or her own choosing accompany him or her when the record is disclosed.

(c) Requests made by an agent, parent, or guardian shall be in accordance with the procedures described in paragraph (b) of this section.

§ 515.4 Procedures for requests and disclosures.

(a) Requests for a determination under § 515.3(a) of this part shall be acknowledged by the Commission within ten (10) days (excluding Saturdays, Sundays and Federal holidays) after the date on which the Commission receives the request. If the Commission is unable to locate the information requested, it shall so notify the individual within ten (10) days (excluding Saturdays, Sundays and Federal holidays) after receipt of the request. Such acknowledgement may request additional information to assist the Commission in locating the record, or it may advise the individual that no record exists about that individual.

(b)(1) Upon submission of proof of identity as required by § 515.3(b)(1) or (2) of this part, the Commission shall respond within ten (10) days (excluding Saturdays, Sundays and Federal holidays). The Commission shall decide whether to make a record available to the record subject and shall immediately convey its determination to the requester. If the individual asks to see the record, the Commission may make the record available at the location where the record is maintained.

(2) The Commission shall furnish each record requested by an individual under this section in a form intelligible to that individual.

(3) If the Commission denies access to a record to an individual, that person shall be advised of the reason for the denial and of the appeal procedures provided in § 515.7 of this part.

(4) Upon request, an individual shall be provided access to the accounting of disclosures from his or her record under the same procedures as provided above and in § 515.3 of this part.

§ 515.5 Request for amendment to record.
